He was Vice-President of the Full Gospel Business Men's Nappanee Chapter. Bob has ministered in all sizes of churches, in all the provinces of Canada, as well as several states of the U.S, in 25 different denominations. His emphasis is on "Revival for Today" and the need to see Power of God. In his services, he welcomes the ministry of the Holy Spirit around the altars, confirming the Word with signs following.

Bob still believes that God is a "God of Miracles" for every area of your life, with the greatest miracle being the Salvations of Souls. He oversees the three arms of their ministry Revival Services Precious Jewels Ministry and Temple Christian Tours.

Married to Bob for 34 years, his wife, Sandy, sometimes shares her testimony about her battle with ovarian cancer, and God's faithfulness bringing her to complete health and strength. Bob & Sandy are further blessed with 20-year-old daughter, Mande.
