Guest Speaker

A message from Earl Inman...

This will be an evening of signs & wonders and healing miracles. I will be sharing my testimony and will be giving quick report on where I am at on establishing a Healing Center in the Durham Region.

The Lord called me to bring healing to this generation, so this will be an exciting evening of God showing Himself as a healing Jesus to the saved, and to the unsaved; so, I encourage you, bring someone that needs healing in their body and will see what He will do when we tap into His anointing.

I've seen God do great things, all you need to do is come believing for He is no respecter of person; what he's done for one, He will do for others. Cancer and tumors will be destroyed! Blood disease and backs will be healed! When we step into the glory, we will receive what we are believing for!!
